

² The coordinates for Channel 291A at Bear Lake are 44-17-30 and 86-13-30.

Station WSRQ is now under new ownership.³ Therefore, we shall issue an Order to Show Cause to the current licensee of Station WSRQ.⁴ Northern proposed the substitution of Channel 254A for Channel 292A at Ludington, Michigan, and modification of the license for Station WKLA. Channel 292A can be allotted to Ludington at the licensed site for Station WKLA.⁵ Northern also requests the substitution of Channel 293A for vacant Channel 255A at Walhalla, Michigan.⁶ Channel 293A can be allotted to Walhalla in compliance with the Commission's spacing requirements.⁷ Since the communities of Honor, Bear Lake, Ludington and Walhalla are located within 320 kilometers (200 miles) of the U.S.-Canadian border, concurrence of the Canadian Government will be requested for the proposed allotments. As requested, we shall also propose to modify the license for Station WIAR to specify operation on Channel 264C3, the license for Station WSRQ to specify operation on Channel 291A, and the license for Station WKLA to specify operation on Channel 254A accordance with section 1.420(g) of the Commission's Rules.

3. Whenever an existing licensee is ordered to switch frequencies to accommodate a new channel allotment, we require the proponent of a new allotment to make a commitment that it would reimburse the affected station for the costs incurred in changing frequencies. Northern has acknowledged its responsibility to reimburse Station WKLA, Ludington, Michigan, for the reasonable costs in changing frequency. In comments, Northern is requested to make a reimbursement commitment to the licensee for Station WSRQ, Bear Lake, for changing its channel and site.

4. In view of the above, we believe the public interest would be served by proposing the substitution of Channel 264C3 for Channel 264A at Honor, Michigan, since it would provide the community with expanded FM service. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the communities listed below, to read as follows:

Community	Channel No.	
	Present	Proposed
